## RECOMENDATION LETTER

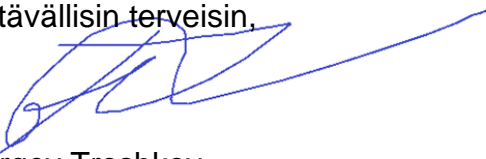

We have been working with INKERBERTS for more than five years, implementing projects in the field of creating individual photo- and video content for events, services and products, network resources. Over the years INKERBERTS has proved to be reliable, creative and motivated for the best result partner.

Recent on-going contract with INKERBERTS have started in 2019 for production of 15-series film about Russian-Finnish coworking network under Southeast Finland-Russia CBC programme\* supports startups, student entrepreneurship and SME cooperation in the cross-border region and forms a community of business leaders and future business leaders ready for global success.

\*Southeast Finland-Russia CBC 2014-2020 Programme is funded by the European Union, the Russian Federation and the Republic of Finland.

We hope for long-term cooperation with INKERBERTS as a contractor for the better visibility and marketing of our projects and wish new creative heights and growth.
